Sea Gulls In Appomattox?

Approximately a dozen sea gulls were in Appomattox on Tuesday and apparently spent the day in the parking lot at the Triangle Plaza Shopping Center.

Some high school students found one of the sea gulls that hat been injured by an automobile and brought it by for a picture. With the sea gull, pictured above, from left to right, are Doug Doss, David Seay, Warren Seay, Jimmy McCormick and Gene Mayhugh.

According to John Ferguson, Manager of Kings Market in Appomattox, word had gotten around about the low, low prices on bird food at their store and the birds had flown in to check out the prices.

CAR OWNERSHIP ON RISE IN LOCAL AREA.

Cont. from Page 1

Service and others.

In Appomattox County, it is shown, there were 138 cars in use at the beginning of this year per 100 households, a relatively high ratio.

It is accounted for, principally, by the fact that local residents, bolstered by their rising incomes, have been in the automobile market in force in the last two years.

And many of them have been keeping their old cars, either for their own use or for their teen-age children, rather than trading them in.

The result is that a greater number of local driveways are sporting two cars these days.

All in all, automobile registrations in the county have increased from the 3,270 listed five years ago to the 4,050 currently reported.

It was equivalent to a net rise of 26 percent, after allowing for the number of cars that were scrapped.

Elsewhere in the United States, there was a 18 percent rise and, in the State of Virginia, 22 percent.

Much of the increase in care ownership is attributed to the progressive movement of families from heavily-populated urban areas to the suburbs, where the automobile is the basic means of transportation.

APPOMATTOX PTA COUNCIL MET DEC. 5

The Appomattox PTA Council held its regular meeting on December 5th at the Appomattox Primary School.

A large number of Local Unit's Presidents and delegates attended. Superintendent of Schools Mr. Eugene Peyton and other school officials were also present.

Rev. Deryl Holiday President of the council presided during the meeting.

The Council voted to contact the Appomattox Chamber of Commerce and present the plan to contact new families moving in the community offering them a booklet giving them general information on the community and schools and welcome the families to the community.

The Council also voted to cooperate with other agencies in setting up an employment service to find summer and part-time employment for teen-agers.

Trooper Howard Gregory of The Virginia State Police presented the program for the evening.

SUPERVISORS PLAN TO PRO RATE COUNTY MOTOR VEHICLE TAXES.

Cont. from page 1

asked that they write letters to the House of Delegates and to the Senate urging them to vote for the addition of "Johnson Grass" to the law already passed. The law would then be the Obnoxious Weed and Johnson Grass Law. Johnson Grass, which can get out of hand very easily, can create a problem if it is allowed to turn to seed.

The board voted to write Claude Anderson, of the House of Delegates, and to Howard Anderson, of the Senate, letters advising them that Appomattox County favors the "Obnoxious Weed and Johnson Grass Law" and the control of weeds and Johnson Grass.

Mr. William W. Hibbert, Executive Secretary, District Planning Commission, was introduced to the Board of Supervisors and was welcomed to the meeting.

Hibbert informed board members that the Planning Commission wants to be responsive to the needs of the county as it relates to regional planning in Appomattox County. He plans to meet with the local planning commission at least twice to help get communities set up that would tend to get the local commission involved in the development of Appomattox County.

In other business before the board, Mrs. Julian Hamlett, representing the Appomattox "Assembly", requested permission to use the Vera school building for meetings. The "Assembly" has been organized for three years, is a non-profit organization, and is interested in helping all people in the county, black or white; young or old. They have been meeting in the Appomattox Intermediate School but it is unsatisfactory as they need a place for storage, recreations, dinners and a place where they could have projects set up as money making proceedure in order to have funds to continue the work they are striving to accomplish.

The board informed Mrs. Hamlett that other groups had asked for use of this building and they had been turned down because there are no heating facilities in the building and you can not get insurance on an empty building. The board stated that they approve of the work the "Assembly" is trying to accomplish and will give it every consideration but that they could not give her an answer without the advice of legal council.

Upon the request of Gene Richardson, Sheriff of Appomattox County, the board approved the purchase of paint for some repairs to the jail.

The portion of the brick wall in front of the Court House that was knocked down by an automobile will be restored in the original manner, with old brick matching the brick now in the wall. The board has been informed that the insurance company of the car owner will pay all damages done to the wall.

In other business, the board voted to surface-treat the parking area behind the Court House outside the fence at the Sheriff's Office. O. W. Martin, Chairman of the Board of Supervisors, will contact J. L. Stimpson of Wingina and get him to grade, tar and surface the lot.

The purchase of four first-aid kits for the county police cars was approved by the Board of Supervisors.

W. Sam Kerr, County Attorney; Mrs. Ida H. Campbell, County Treasurer and John C. Caldwell, Commissioner of the Revenue; appeared before the board regarding refund on county license tags. They proposed that if a person sells a car before October 1st, that one-half the cost of the county tag be refunded; and that if a person should buy a car after October 1st, he should be charged one-half the cost of the county tag.This would, of course, apply to all motor vehicles operating on streets or highways. In the case of a trade-in of a vehicle, 10 days would be allowed for the person to bring in the decal-type tag for transfer and would be issued a new one at the cost of $1.00. If personal property taxes assessed or assessable are not paid, persons operating motor vehicles on streets or highways will not be issued a County Tag.

An Ordinance to this effect will be drawn up as approved by the board and will be published in the **TIMES-VIRGINIAN.**

On a motion by John Cole, the board voted to have a survey made of the County Farm.

W. E. "Bill" Jamerson, who had been serving as Vice-Chairman, resigned from the District Planning Commission.

CHRISTMAS TREE WILL BE LIGHTED AT MEMORIAL CHURCH SUNDAY

Cont. from Page 1

the Church there originated the idea in 1957. With the help of other members of the Church, she studied, designed and created gold and white monograms and symbols for Jesus Christ. Each design are monograms of and symbols for our Lord Jesus Christ. Because these designs have been used by His followers since Biblical times, they are the heritage of all Christians and serve to remind each of us, regardless of denominations, of the One we seek to follow.

All Christmas are made in combination of white and gold. The color white is our color for Chrismons and suggests innoace, purity, and perfection of our Savious. In our culture, white is the color of joyful occasions. The lights on the Chrismon Tree, which will be in the Sanctuary at Memorial United Methodist Church during Advent and Christmas, number 200, and are clear white "mini-lights" one for each family in the church. The color gold is a symbol for the glory and majesty of God and the Son of God. This is also from Biblical usage.

Materials used in the construction of the Chrismon Tree, now in hundreds of Churches throughout the world are styrofoam, pearls, gold braid, braid, sequins, beads, and wire, plus some glue, a cutter for the styrofoam, and a bit of hard work and much fun. Each symbol of Chrismon range in height from 2 inches to 12 inches. There is a room set aside downstairs in the church in which most of the work was done; some are taking materials home to make Chrismons. Children, young people and adults have participated in this unique way to celebrate the birth of Jesus into our world.

SCHOOL BOARD HEARS REPORT ON ADULT EDUCATION

Cont. from Page 1

to the new high school now under construction was discussed. The three proposals were: one - carpet for the band and chorus rooms; two - double thinkness vinyl wall base trim; and three - showers to be installed in the Vo-Ag looker rooms.

The board approved the three changes to the new building.

The members of the school board commended the students and school personnel on the orderly and efficient manner in which the evacuation of the high school was conducted on Monday morning, December 4th, when a telephone bomb threat was received.

In other business before the board Carolyn Talbot was appointed as a first grade teacher at Pamplin Elementary School replacing Adel Barrett who had resigned. Brenda Umburger was assigned to teach English at the Appomattox Intermediate School to help relieve the overcrowded conditions in classrooms. Betty Jean Blanks was appointed teacher-aide to replace Sandra Mitchell at the Appomattox Intermediate School.

The board approved a school trip for the 9th grade Earth Science students for January 4, 1973, to attend the Planatorium at Chatham. They also approved plans for the girls chorus at the Appomattox Intermediate School to attend a program at Longwood College on Wednesday, December 13th.

RESQUE SQUAD ELECTS

Cont. From Page 1

Abbitt; and Medical Advisors are Dr. C. G. O'Brien, Dr. Matthews, and Dr. Fratrick.

The new officers will be installed at a meeting on December 28 which will begin their terms of effective January 1st.

Ray Noble is President and has served as a member of the Squad during his term of office.

In Memoriam

In memory of my husband, SAM M. BALDWIN, who passed away December 14, 1969.

Your memory to me is a keepsake,
From which I shall never part.
Though God has you in His keeping,
I still have you in my heart.
Wife, Lillian 12-14-1t

Card Of Thanks

The family of Mr. Claude Jennings wish to thank all of their relatives, friends and neighbors for the beautiful flowers, food, cards and every act of kindness shown us in our recent loss.

Every expression of sympathy will never be forgotten. The Claude Jennings Family. 12-14-1p

I wish to thank my many friends and neighbors for their every act of kindness and sympathy shown me during the death of my husband, Sam Miller. May God Bless each of you. Essie Miller. 12-14-1p

CARD OF APPRECIATION

First I want to give thanks to God for letting us live to be able to celebrate our Golden Anniversary and then give our thanks to ourdear children and in-laws for making us King and Queen for a day. And all of those wonderful friends who came and brought such precious gifts. We never can forget you. Thanks for everything. Eloise Irby Wheeler 12-14-1p
